ETN-24-Series

**24 Vac Wall Mount Thermostat
for Heating & Cooling HVAC Systems
Non Programmable**

General Description:

- * Wall mount thermostat - 24 VAC.
- * Large display "LCD".
- * Build in autochange over as standard feature.
- * Automatic compressor short cycle protection.
- * Hand held remote control - OPTION.
- * Dimentions: 3.6" x 3.2" x 0.9" (deep)
9cm x 8cm x 2.3cm(deep)

Application:

The ETN-24-Series are ideal for residential, commercial or industrial applications. This series are designed for use on HVAC systems using electric heat, oil, gas, central or hydronic heat, heat pump air conditioners systems. Because the "slim" shape, make it ideal for high residential applications.

Easy to install

Features and benefits:

- * Easy to install - 2 pieces with quick connector.(allow to make connections and install the thermostat later)
- * External sensor capability .
- * Average sensing capability - the best solution for residential application.
- * Large display-room and set temperature (LCD)
- * Autochnage over build in
- * Hand held remote control - OPTION

We make life more comfortable!

Models:

ETN-24-HC11	Cool/Heat	Rh, Rc,C ,W1, Y1, C, G
ETN-24-HC22	2 cool/2 Heat	Rh, Rc,C ,W1, W2, Y1, Y2, C, G
ETN-24-HP21	1 Cool/2 Heat (heat pump)	Rh, Rc,C ,Y1,W2, B/O, G
ETN-24-HP32	2 Cool/2 Heat (heat pump)	Rh, Rc,C ,Y1,Y2, W2, B/O, G

Options :

- * **Hand held remote - OPTION.**
- * **Remote sensor capability. (TS01 or RS01).**
- * **Average sensor capability, sense the temperature in more than one place.(RS02)**
- * **Fan electric or Oil/Gas.**
- * **Multistage.**
- * **Buil In autochange over.**
- * **Set cool different than Set heat.**

Terminals for the HC22 type: (typical wiring)

Other Quality SCI Products:

Multi Zone Systems
 BTU Analyzer
 Flush Mount Thermostats
 Communicating Thermostats
 Modulating Output Thermostats
 Telephone thermostats
